

# DISASTER PREPAREDNESS

## Be Prepared :

Here in Snohomish County, many of us are well-aware of the various disasters that could affect our region. Some of these potential disasters include flooding, earthquakes, landslides, severe weather, and wildfires. It is important to know that we can't always prevent these events from happening, but we can **PREPARE** for them. The following resources are great places to start. Sign up for alerts, find tips, and discover checklists so that you can take steps to be prepared.
