### **Small Plane Crash on 228th in Bothell**

[Monroe, Wa] - On July, 19th at 10:19 PM Snohomish Regional Fire & Rescue Battalion 71 was dispatched to a plane crash at the 4300 Block of 228th St SE in Bothell. Crews arrived and tended to the two occupants that were in the plane as well as a dog. The aircraft struck power lines in the decent.

The occupants stated that the experimental aircraft had an engine failure. Both occupants sustained minor injuries and were transported to a local hospital for treatment. No one on the ground was hurt. The FAA was contacted and the scene was turned over to the Snohomish County Sheriffs office.
